

R E M A R K S

Applicant thanks the Examiner for indicating that the claims define patentable subject matter.

In the Office action mailed on October 4, 2004, several informalities were noted and correction was requested. Applicant has added descriptive labels to each of the elements of Figure 1. Applicant has amended the Specification to read "The Invention Claimed Is." Applicant has corrected the informalities which were reason for Examiner's objections to the claims. No new matter has been added.

Entry of the present amendment and allowance of the application is respectfully solicited.

Respectfully submitted,

Dated: December 3, 2004
